### About C4 Environmental Services

C4 Environmental Services, LLC is a full-service environmental services company specializing in waste disposal, field services, and transportation. We appreciate the opportunity to provide an estimate for your project and look forward to providing you with excellent service.

### Project Scope & Estimate

Management of Sample Containers and Other Work at CES: C4 Environmental will provide a field chemist and technicians to manage various sample containers. Service to include collecting the containers through out the plant, evaluating samples for compatibility, packaging and pouring up containers, profiles, packing materials, sampling, testing, transportation and disposal. C4 will also arrange for the management of the ceramic media and possibly the non-hazardous off-spec chemicals.

### Terms & Conditions

- Prices are based on specifications provided to C4 and are subject to change:
  - after profiling;
  - if the scope of work is modified; or
  - if waste composition or quantity changes.
- Sales tax is not included in the estimated project total and will be applied appropriately when billing occurs. Please adjust purchase orders as necessary.
- Payment terms are 30 days from invoice date.
- This estimate is valid for 30 days.
- Charges related to industrial solid waste pick up or disposal within the city limits of Houston incur a 4% franchise fee.

\* Service to be provided on a time and materials basis.

\* C4 will continue service as directed until the customer's budget has been achieved.

Sincerely,

Gary Brauckman
